

*Naples High School Winterguard*

*Regional A- 2024 Season*

*"Survivor"*

*The Naples Winter Guard would like to extend sincere gratitude to the Naples Central School District, Band director Phil Bariteau, **Superintendent Kevin Swartz, High School principal Matthew Mahoney**, Assistant principal Heather Clark and Naples band boosters for making this season possible. After our "trial run season" in 2023 This is Naples first season competing in over 10 years.*

*As a graduate of Naples Central School, a local community member, and a former Winter Guard and Color Guard participant, it was important to me to restore this program, and I appreciate all the people that contributed to the success of this season. The guard is under the direction of Shaylynn Whipple with assistance provided by Logan Soback, and Dance choreography provided by Elisha Burger, and Allison McLaughlin*

*We are thrilled to present to you our 2024 Show entitled 'Survivor'. The focus of our show is bullying. High School can be difficult in general, but when bullying is thrown into the mix it can become unbearable. "Survivor" references our desire to help people stand up for others and themselves. If you see something say something. Stand up against bullying!*
