

HINSDALE HEADLINERS

DREAMS

Written to the song "A Million Dreams" by Pink, the Headliners 2024 program is designed by Phil Cole, with help from Bert Cousins. They are under the direction of Lori Harris and Angela Franz.

The show is designed around the dreams of building a house with everything that you've always wanted. Some people may think you're crazy, or that you've lost your mind, but it is the journey of a millions dreams to make it yours.
