

The Gates Chili RA Winterguard is proud to present their 2024 program "Space Walk". Show design and choreography are the combined efforts of Kelly Barnard, Kyle Regan, Maddison Miller and Luke Albro.

The guard is sponsored by Gates Chili Color Guard Parents Inc. and is under the direction of Michael Heaney.

After a satellite orbiting earth has been damaged, a team is sent to gather lost pieces and make repairs. Hopefully the beauty of space isn't too distracting for this group of astronauts!
