

The Gates Chili A1 Winterguard is proud to present their 2024 program “Illusions of the Eye”. Show design and choreography are the combined efforts of Jessica Evert, Brandon Regan, Hannah Martin and Erin Whipple.

The guard is sponsored by Gates Chili Color Guard Parents Inc. and under the direction of Michael Heaney.

Allow your mind to be deceived as we venture through the art of illusion. As you find yourself immersed in a realm of enchantment you slowly lose the ability to tell what is real and what is trickery. Watch as ordinary objects transform to extraordinary right in front of your very eyes. The deception of illusion and a curious mind may even make your sense of reality disappear.
