

## **Marcus Whitman Winterguard Regional A - 2022 Season “If I Ain’t Got You”**

The Marcus Whitman Winterguard would like to extend sincere gratitude to the Marcus Whitman Central School District, the Board of Education, Superintendent Dr. Brown, Principals Taft & Cole, Mrs. Blueye, and the Band & Guard Boosters for helping to make this program possible!

The guard is under the direction of Heather Kay Clark and we would also like to thank Kevin McCloud, Michael Heaney, and Barb Hawks for their continued support over the years of our winterguard program.

Throughout life we have learned that in a blink of an eye, things that you take for granted can be stripped away from you and there is nothing that you can do about it. The Marcus Whitman Winterguard is proud to present their 2022 show entitled, "If I Ain't Got You." As Alicia Keys sings, "Some people want it all, but I don't want nothing if I ain't got you." Take a journey with us as we show you what life was like last year without having winterguard and how amazing it feels to finally be back out on the floor doing what we love to do!
