

## **Ventures A**

From Kitchener, Ontario, the Ventures A Guard present their 2024 production, "Signed, Sealed, Delivered".

We travel back to the 40's when sweethearts, separated by distance, wrote letters by hand sharing news of family & friends as well as intimate expressions of love. Letters were sent off through the post leaving the letter-writer with a long, anxious wait for a reply.

The Ventures tell the story of Emily & John through their letters to each other and set to the music of "You Were Always On My Mind", "Did 'Ya Ever", "Return to Sender" and Stevie Wonder's "Signed, Sealed, Delivered".

Staff of the Ventures A Guard is Jessie Barsoum, Laura Couch, Salima Ladak, Melinda Loder and a touch of Greg Cann. Director is Jacquie Renaud.
