

**Marcus Whitman Winterguard  
Regional A - 2023 Season**

*“Red Bird”*

We would like to extend sincere gratitude to the Marcus Whitman Central School District, the Board of Education, Superintendent Dr. Brown, Principal Pasho, Vice Principal Osika, Director of Fine Arts Mr. Grzeskowiak, and the Band & Guard Boosters for helping to make this program possible!

Marcus Whitman Winterguard consists of students in grades 6-12. The show design, guard work, and concept were the combined efforts of the Director, Heather Kay Clark, Assistant Director Michelle Boylan, and Junior Director Chloe Bootes. A special thanks to Helen Lawrence for writing the dance choreography.

Our 2023 show entitled, “Red Bird,” is being dedicated to Brady Rouse who began the Marcus Whitman Winterguard in 1977. As Hunter Girl sings, “Mama told me when I was a kid, when a red bird flies, close your eyes and make a wish.” For each of us, the Red Bird represents someone in our life who has made a difference. As you watch the show, think about who in your life is your Red Bird!
