

# **SGL Color Guard Presents: Tardigrade Strong!**

**In its first year of competition, Springville-Griffith Institute is proud to present “Tardigrade Strong”.**

**Under the direction of Amanda Punaro, and using the ‘Tardigrade Song’ by Cosmo Sheldrake, our performers in grades 7 - 12 embody the strength of the tardigrade, one of the smallest yet strongest creatures on Earth!**

**Capable of surviving freezing temperatures, fire, and even the vacuum of space, the tardigrade never gives up and continues living despite the conditions it finds itself in.**

**We could not be where we are today without the help of Traci Morrow from Orchard Park JV and Varsity Winterguards, and SGL’s band director, Joe Gervase. There are not enough words to effectively express our gratitude to you both!**

**We hope everyone enjoys our show!**
