

The Medina JV Winter Guard
is proud to present,

Umbrella

From where we are standing the sun is shining all over the place. Once you have learned to sing in the rain, you will be able to survive the passing storms.

Color Guard Director: Diana Baker

Drill Design and Instructor: Melissa Jaeger

Student Staff Assistants: Abi Wright and Kayleigh Wright

We would like to thank the Medina Mustang Band Boosters for their continued support to assist us in putting this show together. We would also like to personally thank Mrs. Wright for assisting us with our uniforms and Prop Dads for help with our props.
