

# Dancing Through the Decades!

Medina Varsity Winterguard is proud to present to you their 2024 performance: *Dancing Through the Decades!* Join us as we take a journey to Dick Clark's American Bandstand and bop to musical selections from Barry Manilow, The Champs, Earth, Wind, and Fire, and Michael Sombello. Help us rate these records with your heartfelt applause!

The Medina Varsity Winterguard is led by director Melissa Jaeger, drill designer and choreographer Kara Brown, and instructor/choreographers Diana Baker and Molly Beth Jaeger. Consultants include Katie Crooks, Jimmy Steele, and Raymond Jones. The group would like to thank the Band Boosters and student volunteers for their help with the floor, props, chaperoning, and uniforms, and band Director Mr. Jaeger for his continuing assistance and support.

Enjoy your seat in the audience of American Bandstand!
